| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | In-Network - \$2,500/individual or \$5,000/family; Out-of-Network - \$13,000/individual or \$26,000/family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Preventive Care (as defined in your Member Benefit Agreement) and most services that require a copayment.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . Refer to your Member Benefit Agreement for more information. |
| Are there other deductibles for specific services?                   | No.  | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In-Network -\$6,000/individual or<br>\$12,000/family;<br>Out-of-Network -<br>\$40,000/family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit?</u>              | Premiums, <u>balance billing</u> charges (charges above the <u>allowed amount</u> ), and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="www.healthoptions.org">www.healthoptions.org</a> or call 1-855-624-6463 for a list of <a href="mailto:network">network</a> <a href="providers">providers</a> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.                          |
