| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall <a href="#">deductible</a> ?                                | <b>In-Network-</b> \$5,700/individual or \$11,400/family  | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. Preventive Care (as defined in your Member Benefit Agreement) and most services that require a <a href="#">copayment</a> .                                 | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . Refer to your Member Benefit Agreement for more information.          |
| Are there other <a href="#">deductibles</a> for specific services?              | No.   | You don't have to meet deductibles for specific services.   |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | <b>In-Network-</b> \$8,700/individual or \$17,400/family  | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Premiums, <a href="#">balance billing</a> charges (charges above the <a href="#">allowed amount</a> ), and health care this <a href="#">plan</a> doesn't cover. | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://www.healthoptions.org">www.healthoptions.org</a> or call 1-855-624-6463 for a list of <a href="#">network providers</a> .              | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | Yes.  | This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .  |

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
