Important Questions	Answers	Why This Matters:	
What is the overall deductible?	Preferred In-Network- \$4,200/individual or \$8,400/family; Standard In-Network- \$5,040/individual or \$10,080/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .	
Are there services covered before you meet your deductible?	<b>Yes.</b> Preventive Care (as defined in your Member Benefit Agreement) and most services that require a <u>copayment</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u>	
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Preferred In-Network- \$9,100/individual or \$18,200/family; Standard In-Network- \$9,100/individual or \$18,200/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.	
What is not included in the out-of-pocket limit?	Premiums, <u>balance billing</u> charges (charges above the <u>allowed amount</u> ), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.	
Will you pay less if you use a <u>network provider</u> ?	<b>Yes.</b> See <a href="www.healthoptions.org">www.healthoptions.org</a> or call 1-855-624-6463 for a list of <a href="network">network</a> <a href="providers">providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a referral to	
see a specialist?	

Yes.

This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u>.

All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
