Important Questions	Answers	Why This Matters:
What is the overall deductible?	Preferred In-Network- \$5,800 /individual or \$11,600 /family Standard In-Network- \$8,500 /individual or \$17,000 /family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	<b>Yes.</b> Preventive Care (as defined in your Member Benefit Agreement). For more information see below.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . Refer to your Member Benefit Agreement for more information.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Preferred In-Network- \$9,500 /individual or \$19,000 /family Standard In-Network- \$9,500/individual or \$19,000/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges (charges above the allowed amount), and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.healthoptions.org">www.healthoptions.org</a> or call 1-855-624-6463 for a list of
