

Excluded Medication Guide – Applies to all CORNERSTONE products (HCR plans not included)

The Community Health Options Excluded Medication Guide contains a list of medications that are excluded from coverage by the Health Plan. There are safe and effective alternative options for each excluded drug class listed on our formulary. Medications other than those listed below may be excluded for the following reasons; State restrictions, FDA restrictions, or the medication is excluded at the benefit level (located in your Member Benefit Agreement). There also may be medications that are listed in the online version of our formulary that are excluded from your benefit plan.

How to read this Excluded Medication Guidebook

There are three columns as represented below:

Drug Class- Describes the drug classification or category of drug.

Excluded Medication – Lists the medications that not covered by the Health Plan.

Preferred Alternatives – Lists the medications options for the same drug class that are covered by the Health Plan and listed on our drug formulary found at (<https://www.healthoptions.org/formulary/formulary-2018.aspx>).

Exceptions to excluded medications

Exception to coverage requests are considered on a case by case basis. You and/or your provider can start the exception to coverage process by calling Member Services at (855) 624-6463.

Insulin Pump Test Strips

If you have been approved for an insulin pump and your brand of glucose test strips appear on this exclusion list, please call Member Services (Monday-Friday, 8am-6pm) at (855) 624-6463 to request additional information about insulin pump glucose test strips.

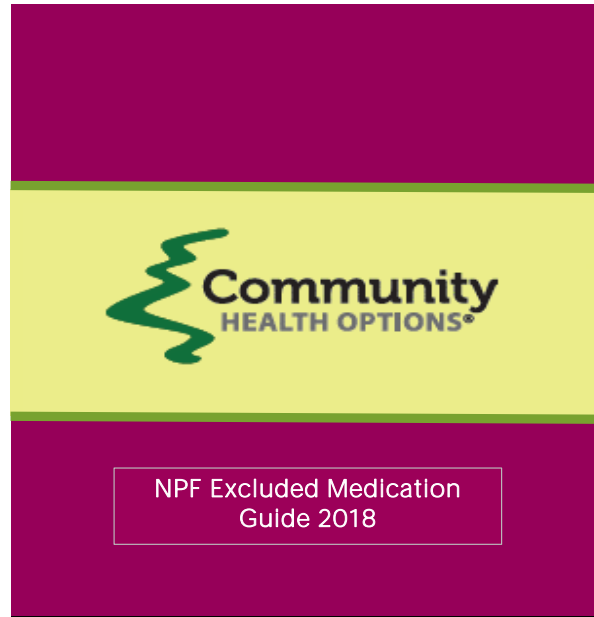

How to search this exclusion guide

For PC Users: Hold down the ‘Ctrl’ and ‘F’ keys at the same time or click on the Binoculars icon, to open the search pane.

For Mac Users: Hold down the ‘Command’ and ‘F’ keys at the same time or click on the Binoculars icon, to open the search panel.

Type the first few letters of the drug name, and click enter. Continue to click on the Arrow in the search pane scroll through the matches within the document.

Please Note: Medications listed on this Exclusion Medication Guide may not be all inclusive and are subject to change without notice. If medications are added to the exclusion list, Members receiving that medication are notified of the change, when applicable.
