Important Questions	Answers	Why This Matters:
What is the overall deductible?	<u>In-Network -</u> \$3,000/ individual or \$6,000/family; <u>Out-of-Network -</u> \$9,800/individual or \$19,600/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes . Preventive Care (as defined in your Member Benefit Agreement) and most services that require a <u>copayment</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care- benefits/</u> . Refer to your Member Benefit Agreement for more information.
Are there other <u>deductibles</u> for specific services?	Yes, \$100/child for pediatric dental coverage.	Pediatric Dental Benefits are provided in partnership with Northeast Delta Dental. You must pay all of the costs (except where indicated) for these services up to the specific deductible amount befor this plan begins to pay for these services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	In-Network - \$9,100/individual or \$18,200/family; <u>Out-of-Network -</u> \$18,200/individual or \$36,400/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance billing</u> charges (charges above the <u>allowed amount</u>), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.healthoptions.org</u> or call 1- 855-624-6463 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
