| Important Questions  | Answers  | Why This Matters:  |
|--|--|--|
| What is the overall<br><u>deductible</u> ?                               | <u>In-Network -</u> \$5,000 /individual or<br>\$10,000 /family;<br><u>Out-of-Network -</u> \$10,000 /individual or<br>\$20,000 /family     | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you meet<br>your <u>deductible?</u> | <b>Yes.</b> Preventive Care (as defined in your Member Benefit Agreement). For more information see below.                                 | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u><br>amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain<br>preventive services without cost sharing and before you meet your <u>deductible</u> . See a list of<br>covered preventive services at <u>https://www.healthcare.gov/coverage/preventive-care-<br/>benefits/</u> . Refer to your Member Benefit Agreement for more information.  |
| `Are there other<br>deductibles<br>for specific<br>services?             | No.  | None   |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?  | <u>In-Network -</u> \$6,000 /individual or<br>\$12,000 /family;<br><u>Out-of-Network -</u> \$12,000 /individual or<br>\$24,000 /family     | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                 | Premiums, <u>balance billing</u> charges<br>(charges above the <u>allowed amount</u> ), and<br>health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you<br>use a <u>network provider</u> ?              | <b>Yes.</b> See <u>www.healthoptions.org</u> or call 1-<br>855-624-6463 for a list of <u>network</u><br><u>providers</u> .                 | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
